Re: Small Business Entity and Micro-Small Business Entity  
 Certifications

Dear Ms. Robertson:

We are pleased to advise you that after review of your application and supporting documentation, the San Francisco Bay Area Rapid Transit District (“BART” or the “District”) has determined that your firm meets the eligibility standards to be certified as a Small Business Entity (SBE) and a Micro-Small Business Entity (MSBE) under the Small Business Elements of the District’s Disadvantaged Business Enterprise Program. Your certifications apply only on federally funded contracts as an element of the District’s Disadvantaged Business Enterprise Program.

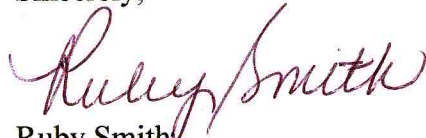

Your firm will be listed on the District’s Small Business Entity database for certified SBEs and MSBEs under the following specific area(s) of expertise that you have identified using the North American Industry Classification System (NAICS) Codes. If you wish to add additional areas of expertise please contact BART’s Office of Civil Rights in writing to request the addition of specific NAICS Codes. You may be asked to provide documentation in support of your request.

<u>NAICS Codes</u>	<u>Description</u>	<u>Primary Industry Classification</u>
541611	Administrative Management and General Management Consulting Services	Yes
541618	Other Management Consulting Services	
561410	Document Preparation Services	
561499	All Other Business Support Services	
561990	All Other Support Services	

Based on a review of your application your primary industry classification has been determined to be Professional Services. You are eligible to bid or propose on contracts designated as SBE and set-asides for MSBE firms in this category of work. SBE and MSBE firms still must meet all applicable license and legal requirements to bid or propose on these contracts. All specific requirements to bid or propose on SBE and MSBE set-aside contracts will be provided in the contract specifications.

Congratulations and thank you for your interest in the District's Small Business Elements Program. I wish you every business success and look forward to hearing from you. If you need further assistance, please feel free to contact Alma Basurto, Principal Analyst, at (510) 464-6388 or [abasurt@bart.gov](mailto:abasurt@bart.gov).

Sincerely,
